

PANGOLIN

A mammal found in Africa and Asia that has a long nose and a body covered in scales.

Pangolins are the most trafficked animal in the world.

POACHER

A person who hunts or catches wildlife illegally.

A poacher is a key part of the illegal wildlife trade.

TRAFFICKING

Dealing or trading in products which are illegal.

We must work to stop animal trafficking.

ILLEGAL WILDLIFE TRADE

The buying and selling of animal products which is against the law.

WVS is strongly against the illegal wildlife trade.

VIEWPOINT

The perspective that a person has based on their thoughts, opinions and previous experiences.

It can be difficult to understand different viewpoints.
